Heat Your House With Gas By Using a

Gasteam Radiator

Each radiator is a steam heater in itself. It is safe, sanitary and economical. There is no coal to carry in and no ashes to carry out, and it does away with an endless amount of dust and dirt.

It maintains an even temperature and the gas flow is shut off automatically when the desired steam pressure is reached, thereby preventing waste of gas.

Annual Meeting of Eastern Connecticut Football League Will Held in This City-Jewett City May Enter the Circuit-Meeting Promises to be a Lively One-Grounds Question Puts a Ban on the Forming of a Local Team.

The annual meeting the Eastern Connecticut Association Football league will be held Saturday afternoon in this city at the Wauregan house. The meeting promises to be one of unusual interest as Joe Booth of Bridgeport, state secretary of the Connecticut State association, intends to be present and will address the meeting. It is the intention of President MacIntyre and the other officers of the league to form a larger circuit if possible. An agent of the circuit if possible. An agent of the league has been looking over the pros-
